REQUEST FOR ACTION ON GRANTED PETITION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On June 21, 2006, a Decision was issued granting applicant's petition seeking withdrawing of the final rejection status of the Examiner's Office Action Mailed February 15, 2006. In that Decision it was stated that the "application will be forwarded to the Supervisory Legal Instruments Examiner for removal of the final rejection status and entry of the amendment received May 15, 2006. The application will then be forwarded to the examiner for consideration of applicant's response." However, examination of the PAIR record for this application reveals that the order actions have not been taken despite the elapse of over three (3) months. Therefore, it is respectfully requested that prompt action be taken to remove the final rejection status of the Examiner's Office Action Mailed February 15, 2006, and for the Examiner to then promptly consider and act upon applicant's amendment that was filed May 15, 2006.

Respectfully submitted,

David S. Safran
